HERE'S the POINT

By SPENCE HELD

We've all heard about the embezzler, confidence man or bank robber who tossed $90,000 in crisp new bills into a suitcase and took off blithely for Rio de Janeiro.

Yeah, but if you're an honest man—or woman—and faithfully, untangle all the red tape festooning a plane trip to Souse America, you find that it ain't so simple.

* * *

A Peninsula resident, who shall remain nameless for the nonce, whispered the horrendous details in my shell-like ear this week. Here are some of the steps taken by this panting passenger:

1—Smallpox vaccination.

2—Three typhoid shots, one per week.

3—Doctor's certificate stating client is in good health and of sound mind and has no "pernicious diseases" or trachoma.

4—Passport, acquired with the aid of one witness, $9 money order, $1 cash, 40-cent stamp, six 6-cent airmail stamps, documentary proof of citizenship, and two photographs. (A "delayed" birth certificate was not acceptable; had to get notarized Affidavit of Birth from close relative . . . Photographs 2½x2½, front view, unsmiling, white background, dull paper.)

5—Visitors' permits for three countries en route—Mexico, Guatemala and Panama — plus two more photos. Panama permit necessary for three-hour stay between planes.

6—Visa from Ruritanian consul in L. A. (Office hours 10 to 3 Monday through Friday, if there are no holidays, Ruritanian or American. Visa requires certificate from local police deparatment certifying no criminal record.)

* * *

Well, our panting Peninsula passenger was advised of Nos. 1 to 5 in plenty of time.. However, the visa was an added starter, coming almost too late for post time.

Question: How would an ex-con, say, get that certificate from the local constabulary?

Maybe we've been misled by the crime drammers on TV. Can't you just imagine a guy on the lam wading through the red tape?

Haw!

Mrs. David Pinkes, of 4709 Brighton Ave., and her guests from Berkeley were bedeviled by dogs at the beach Saturday.

"We were sunbathing on a blanket," she said, "and were constantly annoyed by dogs, large, small, shaggy and wet, scampering over us. They showered us with wet sand and made a miserable shambles of the whole area."

About a dozen dogs were in action, and many other people were bothered by them, according to Mrs. Pinkes.

"Some even threw rocks at the dogs to keep them off their babies and little children," she said.

O. B. Family Sees Everything, But Glad To Be Back

They saw a big black bear roaming the main street in Jasper, Canada, and 41 bears in Yellowstone National Park; took a snowmobile ride on the Columbian Glacier and the chair-lift up Mt. Rundle at Banff; went horseback-riding in the Grand Tetons, and had a swim in Great Salt Lake.

Mr. and Mrs. Wil Wyatt and family recently returned to their Niagara Ave. home after a 5300-mile vacation motor trip to the province of Alberta, Canada.

They were accompanied by their three daughters, Suzy, 12; Courtney Ann, 10; Mary Pat, 8; and Mrs. Wyatt's parents, Mr. and Mrs. W. E. Courtney, who live on Froude St.

Mr. Wyatt manages the credit union at Navy Electronics Laboratory. Mr. Courtney is a retired employee of the Fred Harvy Company.

'The Canadian Rockies, heavily snow-laden, were impressive, and there were many moose, bear, elk and deer along the roadways which included 200 miles of gravel road north of Lake Louise," they reported.

After crossing the desert on their way home, they welcomed "the cool comfort of Ocean Beach" as the most pleasurable moment of the 18-day trip.

O. B. MOOSE LODGE

Ocean Beach Moose Lodge 1755 will serve a chicken dinner Saturday, July 30 at 7 p.m. in the Moose Hall on Newport Ave. Women of the Moose, Chapter 1095, will help with the serving. All members, families and guests are invited.

Mission Bay Festival Proves Great Success

A giant parade of boats moved through the newly-dredged Mission Bay Channel Sunday, and thousands of persons heard Rep. Bob Wilson describe Mission Bay Park as one of San Diego's greatest assets.

He said the 26-million-dollar project is destined to become "the Water Wonderland of the West Coast," and declared it will be "a magnet drawing visitors and dollars to create more jobs."

In the channel parade, led by Mayor Charles C. Dail, was a boat displaying an Ocean Beach Chamber of Commerce banner. Aboard were Harry La Dou, Chamber president, and Mrs. La Dou, and Mr .and Mrs. James Noel.

Mayor Dail cut the ribbon officially opening the channel to navigation..

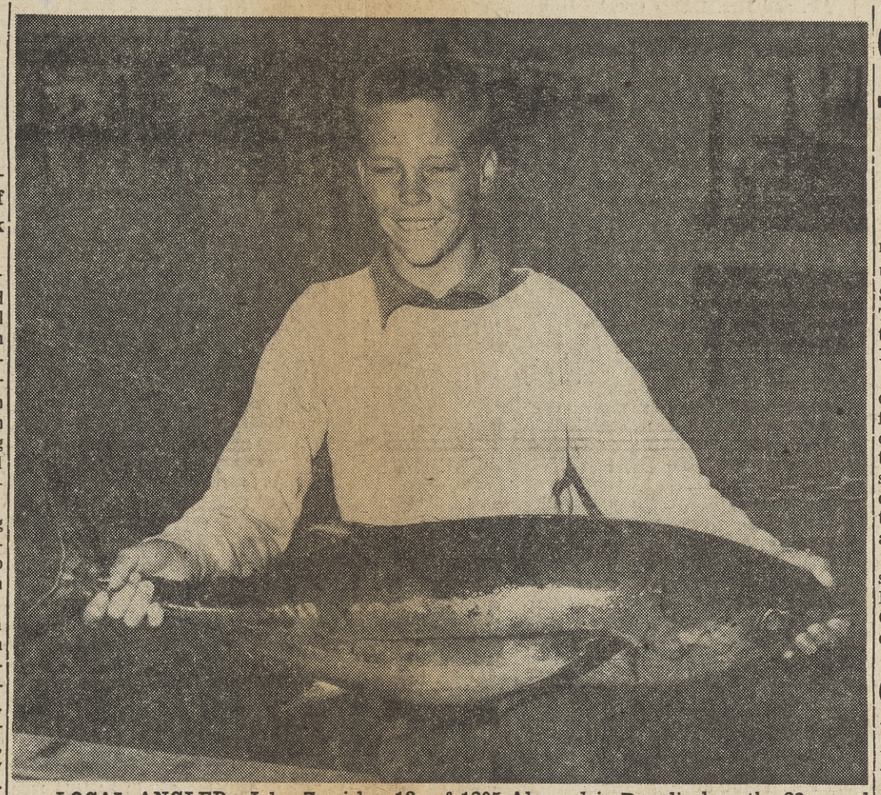
The Outboard Boating Club of San Diego had about 100 decorated boats in the parade, according to F. A. (Al) Wolf, of Ocean Beach, former commodore. The club staged two races in the afternoon and awarded trophies to the winners.

Thousands attended the day-long Mission Bay Festival, watching the aquatic show and hearing talks by Wilson, Dail and George A. Scott, chairman of the Mission Bay Park Commission, at Tierra Del Fuego Island.

Wilson was instrumental in getting a $750,000 appropriation through Congress for dredging the channel, closed since 1951 because of sandbars and dangerous currents.

La Dou attended a meeting Monday of a citizens' committee named by Mayor Dail to study reorganization of Mission Bay administration.

The committee approved a plan for creation of a five-man commission, similar to the Harbor Commission in scope, answerable to the City Council. The new group would be created by City Charter amendment, and would divorce Mission Bay jurisdiction from the city manager's office.



LOCAL ANGLER—John Zamiska, 13, of 1205 Alexandria Dr., displays the 22 pound 4 ounce albacore which qualified him for the Yellowtail Derby. Congratulations, John!

Following these he will play two of his greatest numbers, "Dizzy Fingers" and the incomparable "I Only Have Eyes for You." Climax of the evening will be Jamm Session with Teddy Wilson and members of the orchestra.

Teddy Wilson was one of the original members of the Benny Goodman trio and is coming down from Los Angeles especially for this concert.

Balance of Tuesday's program will include Paul Hindemith's "Mathis der Mahler." The Goodman program will be a study in the contrasts of clarinet technique and an example of Goodman's remarkable versatility. as both a classical and jazz musician.

Midget Baseball

Ocean Beach defeated Cabrillo 5 to 2 last Friday in the Recreation Department's Midget Baseball League.

Southpaw Mel Nevitt was credited with the win, coming in to relieve Sam O'Bannon in the 5th inning and stopping his opponents cold. In three innings, Mel struck out five, walked one and allowed no hits.

Big guns for Ocean Beach were O'Bannon with a single, double and triple in four times up; Bob Lockwood with a screaming double to left, and diminutive Dave Worden with a solid single in two times at bat.

Cabrillo had bad luck when its ace hurler Silva developed a lame back in the 5th inning and had to be relieved.

Ocean Beach sluggers are led so far by Mel Nevitt, batting .833 in four games; Lee David .500, Dave Worden .400, Sam C'Bannon .364, Tommy Boland .333, and Danny Daffer .250.

Bayside is leading the Bay League standings, followed by Washington, Convair, Cabrillo and Ocean Beach.

YELLOWTAIL AND ALBACORE BASK IN DERBY LIMELIGHT

Big yellowtail and red-hot catches of albacore took turns basking in the San Diego Yellowtail Derby limelight this week but the longfins wound up making the greater impression on the period qualifying list.

Two largest yellows taken on hook and line failed to make the select 100 because of ineligibility, and a third bagged by a skin diver also was ignored by derby ofifcials for the same reason.

Top yellowtail checked in was a 51-pound 9 ouncer caught by M. F. (Red) Roberts, who made the catch at La Jolla from a private and unregistered boat. Frank Leinhaupel, La Jolla skin diver, bagged a 38 pounder believed to be a new record for the spearmen, and Evelyn Vance, galley girl on one of the boats, sacked a 28-14 which was ruled out because of her affiliation.

Top prize winner of the week, therefore, was a 25-13 albacore bagged by R. C. Schuldt, San Clemente, and runner-up a 24-8 caught by Mrs. Pierre Moreau, Hollywood. Third place went to another anglerette, Charlotte D. Miller, San Diego, wtih a 23-14 longfin.

The Point Loma-Ocean Beach district picked up another qualifier during the week in the person of 13-year-old John Zamiska, 1205 Alexandria Dr., who checked in a 22 pound 4 ounce albacore.

Point Loma and La Jolla kelp beds continued to hold their own ,and turned out good catches of small white sea bass, bull bass, bonito, barracuda and some yellows.

Intensive Study

The budget committee has been divided into nine sub-committees, according to B. F. (Sandy) Coggan, chairman. The sub-committees will make an agency-by-agency study of requests for additional funds for 1956, he said yesterday, in an effort "to provide essential health and welfare services to the community for the least possible amount of money."

Coggan emphasized that all sub-committee sessions are open to the public. He said, "We feel it is important for the public to keep informed now of our daily decisions on agency budgets and why the decisions are made.

"Our total budget recommendations will be presented to the community at a public meeting on August 22. At the same time the United Success campaign leadership will announce the amount they feel they can raise in the fund campaign next fall.

"The campaign leaders may not feel they can raise as much as we request," Coggan added. "It will be up to the public that day to decide just what the goal for the United Success Drive should be."

LITTLE LEAGUE

Kiwanis won its second and third games of the second half, defeating De Falco's Wednesday 15 to 0 and beating Rotary Saturday 10 to 6.

Larry Garcia pitched near-perfect ball Wednesday with his curve and fast ball working to perfection. He struck out 13 and allowed 3 hits.

His teammates made the job look easier by putting on the largest barrage of hits this season getting 19 hits and 15 runs off De Falco's pitchers, Ronnie Holmes got 3 doubles and single. Clyde Campbell and Larry Garcia got 3 hits each and Skippy Ikimura and Mickey Burkholder 2 each. Mike Sneed, Tom Gable ,and Garry Rucker got the only hits for the losers.

Rotary had a big 3 run first inning in the second Kiwanis win, when after Don Sansome and Lynn Kemp walked, "Big Mike' 'Dolphin hit his 6th home run of the season. They scored 3 more runs in the 3rd on hits by Jim Bishop and Don Sweek after walks to Don Sansome and Dolphin. However, Larry Garcia had a big day at bat, driving in 7 runs on 2 homers and a double which pulled reliable Skippy Ikimura out of a hole for his 5th win. He struck out 12.

Best Game To Date

The best-played and longest game of the season had De Falco's defeating Optimist in the second game Saturday, 3 to 2 in 9 innings. Garry Rucker and Tom Gable scored in the 5th for De Falco's, but in the top of the 6th Dick Conklin drove in Tom Webb who had doubled and Mike Clardy scored Conklin to tie the score at 2 all.

In the 5th Rod Jones of Optimist made the most sensational fielding play of the season with a running, diving catch in left field, rolling over and holding the ball and robbing De Falco's of a sure hit and a run. Both pitching staffs hurled tight ball. Mike Cash and Larry Carlin pitched the first 6 innings for De Falco's but the win goes to Tom Gable who pitched outstanding ball, shutting out Optimist the last 3 innings. Dependable Tom Webb and Timmy Ferris hurled for Optimist, with Tim Ferris pitching terrific relief ball. An error and a hit by Mike Sneed in the 9th scored Bob Gault for the winning run.

Thanks go to Art Wells for a job well done in umpiring Wednesday and 2 straight games behind the plate Saturday. Thanks also to Mr. Wenz, Jack Bechard and Mr. Rodgers for their field umpiring.

DEL MAR TURF CLUB OFFERS 14 STAKES EVENTS SATURDAY

DEL MAR—Off to a roaring start, the Del Mar Turf Club presents the first of a brilliant program of 14 stakes events Saturday with the ninth running of the $10,000 added Oceanside Handicap.

Conditioned for 3-year-olds at six furlongs, the Oceanside is the initial feature for the sophomore division. It will be followed by the $10,000 La Jolla mile Aug. 13 and the $25,000 added Del Mar Derby on Aug. 27. The latter fixture, richest 3-year-old race ever offered at the seaside course, will be over the mile and a furlong route and is expected to attract one of the finest fields in history.

Saturday's Lineup

Peter Strub's Guerrero, Travis M. Kerr's Tiberian and El See Stable's Brooksickle head the lineup for Saturday's Oceanside 'Cap. Guerrero scored his initial stakes victory here last summer when he was victorious over Postscrpit and Trentonian in the Graduation stakes. He won a stakes event recently at Hollywood Park and the chances are he will be asked to carry top weight Saturday.

Tiberian, purchased in New York just two weeks ago, made good at first asking for his new owner last Saturday at the Inglewood track. He is known to be a 3-year-old of real ability. Broadsickle, up from claiming ranks, has been going with top-flighters and finished third to New Trend in the El Dorado Handicap last week at Hollywood Park.

Others among the Oceanside nominees are Andrew J. Crevolin's Golden Land, Mrs. D. K. Turk's Valiant Ace, B. and R. Stable's Right Down, T. T. Nevin's Cardiff, Trinity Stable's Postscript, N. S. McCarthy's Myrtlemoud, Needmore Stable's Hickory Stick, Triple K. Stable's Solid Gem and an accomplished pair owned by Mrs. Alice Hansbrough—Vino Supremo and Dr. Bunny.

Visitors Approve

Del Mar swings into its first full week Monday with the prospects bright for the finest season in history. Early visitors to the seaside course have expressed complete approval of the many improvements and innovations offered since the 1954 meeting. A pair of stakes will bring out the crowds next week—the $10,000 Escondido on Wednesday and the renewal of the $10,000 Bing Crosby Handicap on Saturday, Aug. 6. Both are for older stars.

Institute On World Affairs Opens Next Week At S. D. State College

British and U. S. foreign policy, Morocco, and communism in Asia will be the topics of the first five speakers next week as the Institute on World Affairs opens at San Diego State College.

The fundamentals of U. S. foreign policy will be explained by Dr. Katherine Hagen, professor of history and chairman of the depatment, SDSC, at 8 a. m. Tuesday, August 2. American foreign policy and the problem of China will be the topis at 10:15 a.m. of Dr. Lowell G. Noonan, associate professor of political science at USC.

Wednesday's speaker on communism in Southeast Asia will be Dr. Lawrence Wanlass, department of political science, Mt. Holyoke College. He has spent the past year in the Far East, studying the impact of communism and the leadership of native movements. Dr. Wanlass will speak Wednesday at 10:15 a.m.

The British Counsul-General of Los Angeles, Michael Gillett, will speak of his country's foreign policy and "New Look in Asia" at 10:15 Thursday. His 25 years in diplomatic and counsular service in the Far East began as a student interpreter in China. He was appointed Chinese Secretary at the British Embassy in Chungking in 1942 and later as Deputy Consul-General at Chungking.

At 8 p.m. Friday Dr. J. A. Lauwerys, University of London, will discuss the Moroccan problem on the international scene, speaking of his experiences in the French zone this year as a consultant.

Hardie-Edwards Wedding Aug. 6

Miss Katherine Alexandra Hardie will become the bride of Dean Leslie Edwards Saturday evening, August 6, at 8 o'clock at the Point Loma Community Presbyterian Church. Dr. S. Dean McBride will officiate.

Miss Hardie is the daughter of Mrs. Philip W. Hardie, 3220 Whittier St., and the late Major (USA) Hardie. Mr. Edwards is the son of Mr. and Mrs. Gail D. Edwards of this city.

Mrs. Alexander Graham, sister of the bride-elect, has been chosen as matron of honor. Bridesmaids will be Misses Lee Ann Woodland and Linda Ward of Point Loma and Misses Julia Norby and Beverly Annis of Santa Barbara, classmates of Miss Hardie at the University of Santa Barbara.

Captain Philip W. Hardie, Jr., Miss Hardie's brother, will give her in marriage. Dick Blair will serve as best man. Ushers will be Alexander Graham, Don Harrington, Spencer Maze and Robert E. Preble.

The 1955 edition of "Accident Facts," the statistical yearbook of the National Safety Council, just off the press, shows aspirin and silicylates to be the most common drug killers of young children. Barbiturates are next. All are frequently kept in the family medicine chest within reach of children, the Council says.

Nineteen times as many persons were killed in motor vehicles in 1954 as in 1910—but there were 123 times as many vehicles on the highways and they traveled faster and farther. In addition to 36,000 killed, 1,250,000 persons were injured in motor vehicle accidents last year.

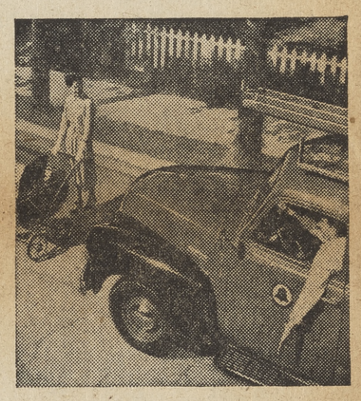
WHAT'S DOING

D. W. Lewis, your Telephone District Manager in San Diego

How telephone drivers guard your safety



Protecting your safety and that of your family is a big part of every telephone driver's job. And to prepare our drivers for this responsibility, we give each a special course in what we call defensive driving. This teaches telephone people to drive in such a way as to prevent accidents no matter what others may do. And it really pays off. For example, telephone drivers covered more than 80 million miles last year without a single fatal accident. Naturally, careful driving like this helps make the streets safer for everyone. And by helping us keep skilled people on the job, it enables us to work faster and more efficiently . . . to bring you good telephone service. **Pacific Telephone works to make your telephone a bigger value every day.**

* * * * *

How to help people get in touch with you faster

If the telephone number at your house isn't now listed under your name, it easily can be. In fact, everyone in the family —Mom, the youngsters, resident "in-laws", and so on— can have a separate listing. By having your own name in the phone book, you make it easier for people to get in touch with you. It can be the difference between getting or missing important calls. And you can have your own listing at small cost. So why not call us at your telephone business office and talk it over.

* * * * *

"Your New Service Representatives"

We would like you to meet three of your new Business Office Service Representatives for North San Diego. These girls are now being trained in a special six weeks training class so that they will be well qualified to take care of your telephone needs.

Do you need an additional telephone in your kitchen or bedroom? Are you moving to another address? Is there an item on your telephone bill you want explained? These and many other questions will be readily answered by these Service Representatives.

We think training is a very important part of our business, Only through proper and adequate training can we give you the very best telephone service in the world!

For a training program to be good it requires a good instructor. Mrs. Kadillac's twenty eight years of experience will go a long way to help these new Representatives learn how they may best serve the public.

From left to right: Betty Montgomery of 1405 Edgemont Street, San Diego, and Jayne Beckett of 4543 Cochise Way, San Diego. Ann Scott of 3728 4th Avenue, San Diego, and Business Office Supervisor, Rosalia Kadillac of 2226 Myrtle Street, San Diego.

Betty Montgomery has had seven years of experience in our Traffic Department as a Long Distance Operator.

Ann Scott has had three years experience in our Traffic Department as a Typist.

Jane Beckett has had one year of experience in our Telephone Directory Department.

Prices Good for Thurs., Friday and Satur.

Many Violations Of Right-of-Way

SACRAMENTO—The California Highway Patrol reports that a traffic accident caused by a violation of the right-of-way occurs once every 17 minutes somewhere in California.

"Most of the right-of-way violations noted by the Patrol involve drivers who fail to yield before turning left at intersections," declared Patrol Commissioner B. R. Caldwell. "An of the rights of others involves other collision causing violation drivers who fail to yield in obedence to stop signs.

Most of these actions are discourteous as well as illegal and, many times, indicate a childish cidents caused by this type of violations are drastically reduced.

Every driver and pedestrian can help improve this situation by filling their traffic habits to overflowng with courtesy and obedience to the traffic laws, particularly the laws governing right-of-way."

AD LIBS

By ADALINE DUDLEY

A DOG'S LIFE—It's amazing what some women will carry in their purses. Ran into Mrs. Ben Franklin Townsend on the K bus recently and was intrigued with her bulging bag. After letting me watch its ocean motion for three blocks, she "let the cat out of the bag." It was a pup, tho, a toy Manchester terrier. Weight one pound, one ounce.

Pico (Spanish for "small beak") was named after his new residence at 3710 Pio Pico St. For a special fee the little fellow rides first class on city buses.

USA SAILING TEAM—Mrs. Cecil Adams, 3033 Voltaire St., relays the news that the USA sailing team won their first British Regatta at Barntgrene, England on July 13. Her son, Don, State College student and USA representative, wrote of the cordial welcome the Americans received from the Oxford Sailing team who met them at the airport.

So far in the Regetta Don has sailed against Midland, Rugby, Oxford and Barntgreen. The USA team beat their nearest competition by 15 points, winning nine out of the ten races.

THAT FUNNY FEELING HITS — When your teenage daughter suddenly returns all your clothes she wore last year. She's outgrown 'em. Now she's eyeing her father's sport shirts. Eyeing 'em, my eye. She's wearing 'em!

HITHER, THITHER, YON—Mrs. Ted Schroeder and son, Jack, who have been visiting in Colorado, highlighted their return with a side trip to Las Vegas.

Mrs. Harry Riggar and daughter, Harriet, former Ocean Beach residents, are house guests of Mr. and Mrs. Al Withers, 4567 Bermuda.

FIFTEEN CANDLES GLOWED—Ninety guests dined and danced at a twilight patio party Saturday evening at the home of Mr. and Mrs. Louis Cappello, 3230 Curtis St. The occasion marked the fifteenth birthday of their daughter, Jo-Ann Carol.

WEDDING GUESTS ARRIVING—Captain (USMC) and Mrs. Philip W. Hardie, Jr. and their two small daughters, Mary Alyce and Ann Elizabeth, will arrive Thursday, August 4, for the wedding of Captain Hardie's sister, Katherine, to Dean L. Edwards on August 6. Captain Hardie is stationed at Beaumont Army Hospital in El Paso, Tex.

FROM BALTIMORE, MD.—Dr. and Mrs. F. S. Fellows have bought the Carl Ackermans' home in Point Loma. Dr. Fellows is the new Public Health Doctor at the US Health Service Quarantine Station. Their son, John, will attend college this fall. They have 3 married children not residing here.

HIGGINS HAVE NEW ADDRESS—It's a brand new house in Fleetridge with a lovely vista from their large picture windows for the R. F. Higgins family, whose former home was on Amaryllis Drive in Loma Portal. Getting acquainted with their new neighborhood are the children Rocky, Marky, and Patty.

HEARD AND LIKED—If you want to obtain great heights, keep on the level.

Miss Joan Taylor Is Married At San Clemente

Miss Joan Warrean Taylor, formerly of Ocean Beach, was married to Charles Edward Wilson of Sweetwater, Texas, at San Clemente July 17. The ceremony was held in theLutheran Church of Our Savior.

The bride, who attended Point Loma High School, is the daughter of Mr. and Mrs. Leo J. Walsh, San Clemente. She and her husband will attend Texas Christian University in Fort Worth.

Those attending the wedding included the bride's grandmother, Mrs. Evelyn Harris of Ocean Beach; Mr. and Mrs. Albert Bossert of Pacific Beach, and Mr. and Mrs. Thomas Bossert and children, Steven and Lynn.

WOMEN OF MOOSE SET DISTRICT BOARD MEET

Mrs. C. L. See, senior regent of Women of the Moose, Chapter 2, has called a Southern District executive board meeting for Sunday, July 31, at 1:30 p.m. at the Moose Lodge Hall, 852 Eighth Avenue.

Mrs. Elinore Piedmont, past president of College of Regents, from Culver City, will give instructions to newly-elected officers of the Southern District of California, which includes El Centro, El Cajon, Oceanside Ocean Beach and San Diego.

WOMEN OF MOOSE CHAPTER 2 MEET

Women of the Moose Chapter 2 will hold their last meeting of the month tonight (Thursday) at 7:30 p.m. at the Moose Lodge Hall, 852 Eighth Ave.

WHO'S NEW IN POINT LOMA

A married daughter living in Long Beach was the incentive that brought Mr. and Mrs. H. H. Schlemmer to California for a visit. They then were living in Kokomo, Ind. Now they have moved here and have purchased a home in the 1900 block on Capistrano St. Mr. Schlemmer is an expeditor in the production control dept. at Rohr Aircraft.

Dr. and Mrs. Glenn A. Gibbons, and young children, Glenn and Lucia, are from New York City, but they plan to make San Diego their permanent home, living now in the 3200 block on Ibsen St. Dr. Gibbons specializes in chest surgery.

Lr. Comdr. E. E. Reynolds, USN, and Mrs. Reynolds and their son, John are happy to be back in the States again—and especially in the San Diego area. They have been stationed in the Philippines. They now are in their own new home in the 3100 block on Goldsmith St.

Mr. and Mrs. M. J. Wilcox love to watch the doings in San Diego Bay from their house on Udal St. Although they came from another seaport, Seattle, Wash., they are delighted with our port.

Chaplain E. L. Wade, USN and Mrs. Wade feel fortunate to come here from Guam and the Mariannes to find a house near the Chaplain's duty station. He is at the Naval Training Center and they are living on Kingsley St. The Wades have three children, two sons, Uel and Dennis and a daughter, Adele.

A three-year-old boy needs lots of room for playing, and Lt. (j.g.) R. H. Swain, USN and Mrs. Swain found just such a place on Wisterna Drive. Their son, Kurt can play there to his heart's content. The Navy family came here from New London, Conn. at the Submarine Base.

It hasn't taken Mr. and Mrs. C. H. Benton, Jr. long to become settled in their own new home at 745 Albion St. Perhaps the comparatively short move 2914 Jarvis St. in Point Loma had something to do with it. The couple have an 18-months-old daughter, Melynn.

Three teen-agers and their parents areenjoying their new home at 3421 Whittier St. very much. They moved this month from 4415 Piedmont Dr. The new homeowners are Mr. and Mrs. W. H. Swink and their three children, Karen, Sharon and Danny.

Mr. and Mrs. E. B. Leugers had been living in San Diego on 27th St. but now are making their home in the 2800 block on Carleton St., on the bay. They chose a nice time of the year for a move near the water. They find Point Loma a convenient community.

Fleetridge district has gained another family with the moving from La Jolla of Mr. and Mrs. Albert Kasey and their son, Peter. They purchased a home in the 3500 block on Garrison St.

Pt. Loma OES

A birthday party honoring Joye Mason, worthy matron, and Ray Turner, worthy patron, will be held Monday evening, August 1, at 8 o'clock by members of the Point Loma Chapter 490 Order of the Eastern Star at the Masonic Temple, 1711 Sunset Cliffs Blvd.

Worthy matrons and patrons of San Diego county will be special guests, taking the stations of officers for the opening ceremony. There will be balloting.

Lucille Turner, chairman of the birthday party, will be assisted by Faye LaNier and Vella Korstad.

Requiem Mass For Mrs. Harry Foran

Mrs. Harry Foran of Omaha, Nebraska, died suddenly of a heart attack on July 22 while visiting here.

Requiem Mass was celebrated at St. Mary's Church in El Cajon, with interment in Holy Cross Cemetery.

Mrs. Foran is survived by two sons, Ben C. and Frank E. Taliaferro of San Diego; a granddaughter, Mrs. Wm. Cowling of La Mesa; three sisters, Mrs. James E. Hollycross and Mrs. Carolyn Keilhack, both of Ocean Beach, and Mrs. Wm. Brookmire of St. Louis, Mo.

Five thousand Americans won reprieves from death last year. These luncky Americans would have died violently, along with 90,000 of their fellow citizens, if accidental deaths had not dropped 5 per cent from the year before. The death rate in 1954 was 55.8 per 100,000 persons—a 7 per cent decrease from the 1953 rate and the lowest rate on record.

No where else can you get so much for so little as the classified pages of the Peninsula News.

HEALTH FOR ALL

One of the many hazards for which the vacationist must be prepared in the sting of winged and crawling insects that inhabit the countryside. Mosquitos and black flies have been known to drive the unwary city dweller back to his sweltering pavements. But these are not the worst. Bees' hornets, wasps, and spiders can cause serious sickness, even death, to the unwary.

Farm fields, woods, and gardens are not the only danger spots. It is impossible to estimate the number of highway accidents that may have been caused because the driver was the victim of an insect sting. The reaction can be so violent as to cause collapse and death at the wheel.

Scientists believe this severe reaction is a kind of shock. The victim may be supersensitive to the venom or toxin of the insect because of a previous bite or sting. To a later bite he then reacts in an exaggerated way. A sting about the head may cause such swelling as to make the victim unrecognizable. In some cases he may turn blue and lapse into unconsciousness. However, prompt treatment by a doctor usually brings quick recovery.

On the theory that sting shock is caused by oversensitivity, doctors sometimes recommend desensitizing to patients who have suffered a fairly painful bite or sting. For most of us, a good insect repellent will give enough margin of safety.

If a stubborn insect should attack, try to press out the stinger, and apply household ammonia or baking soda to relieve the discomfort. Best advice is to avoid the insects themselves, if possible. Wear protective clothing when walking in long grass, give the wasp's nest a wide birth, and don't try to steal the wild bee's honey.

(This column is sponsored, in the interest of better health, by the San Diego County Tuberculosis and Health Association and the Peninsula News.)

CHICAGO—Dying for dear old Rutgers may be an exaggeration, but college athletics do account for almost one out of three injuries to college students. That was revealed by a special study of student injuries at 11 colleges made by the National Safety Council and the American College Health Association.

The on-the-job accident rate for 1954 was the best on record, according to the 1955 edition of the National Safety Council's statistical yerabook, "Accident Facts," just off the press. It marked the eighth consecutive year in which the accident frequency rate of the Council's industrial members has come down.
